

Flagship Exclusive 2-Year Customer Warranty

Double the Industry Standard

We are very confident of our quality workmanship. However, British Columbia has a uniquely humid but temperate climate, you may see some minor deterioration in your new home after 1 year. That is why we are committed to extending the industry standard of 1 year to a **full 24 months warranty** exclusive to Flagship customers, for both materials and labour (exceptions apply—see below).

Some Examples

- ✓ Cracking drywall
- ✓ Peeling paint
- ✓ Shrunk & cracked caulking
- ✓ Cracking tile / grout
- ✓ Separating silicon
- ✓ Everything in electrical except the appliance itself
- ✓ All plumbing & gas work except gas appliance

Simply put, for a worry-free experience—we cover all workmanship performed by our construction team and sub-contractors and we will come to fix the issues, just let us know!

Things We Don't Cover

- Electrical, plumbing and gas appliances are covered by the original equipment manufacturer. Please consult the manufacturer warranty card or website.
- Due to hidden or underlying issues, we do not warrant patch repairs to pre-existing problems, such as plumbing leaks, electrical repair unless it was 100% entirely replaced by Flagship.

If you have any questions or uncertain of what items are covered in our ***Exclusive Customer Warranty***, please do not hesitate to contact us.
